Nova Learning Academy

Student Handbook (sample document for testing)

About and Admissions

Nova Learning Academy was founded in 2015. It offers three programs: Data Science, Web Development and Graphic Design.

To apply, fill in the online application form and pay the application fee of $25. Applications close on March 31 each year.

Each class has a maximum of 25 students so that every student gets personal attention.

Students need a laptop with at least 8GB of RAM for the Data Science and Web Development programs.

Fees and Scholarships

The fee for Data Science is $1,800 per term. Web Development costs $1,500 per term and Graphic Design costs $1,200 per term.

Fees can be paid in 3 installments. A late fee of $20 is charged if an installment is more than 7 days overdue.

A merit scholarship of 20% is given to students in the top 10% of the entrance test.

Need-based financial aid of up to 50% is available. The deadline to apply for financial aid is February 15.

Rules and Exams

Students must keep an attendance of at least 80% to be allowed to sit the final exam.

There are two exams per term. The midterm is held in week 6 and the final exam is held in week 12. The passing mark is 50%.

The library is open from 8am to 8pm, Monday to Friday.

Certificates are issued within 14 days after the final results are announced.
